Beach means the foreshore and any adjacent area that can reasonably be considered part of the beach environment including areas of sand, pebbles, shingle, dunes or coastal vegetation, but not including reserves or parks that are adjacent to the beach. For clarification, estuary areas that fit this definition are considered a beach under this bylaw.

Playground means an outdoor area developed or marked out as a playground that contains children's play equipment or objects.

Public Place has the same meaning as defined in section 2 of the Dog Control Act 1996.
